Sir:

In the Office action dated January 25, 2005, the Examiner indicated that the original Information Disclosure Statement filed on May 7, 2004 (copy of which is attached) was received, but that the photographs as scanned by the Patent Office were not clear enough to be considered. At the suggestion of the Examiner, the Applicants hereby re-submit the May 7, 2004 Information Disclosure Statement with black and white copies of the photographs. Entry and consideration of this re-submitted Information Disclosure Statement is respectfully requested.

Because this is simply a re-submission of a timely-filed Information Disclosure Statement that was rendered illegible by the Patent Office's scanning process, the Applicants believe that no additional fee is due. However, in the event there is a fee due, the Applicants authorize any such fee to be charged to Deposit Account 13-3080.

I, Kate Sturdevant, hereby certify that this correspondence is being deposited with the US Postal Service as first class mail in an envelope addressed to Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date of my signature.
